## **Product(s):**

According to Article 2 (5) sentence 2 of the Chemical Prohibition Regulation the following applies for **professional users**:

According to Article 2 (5) in connection with paragraph 6 of the Chemical Prohibition Regulation:

Those who do not require a permit according to paragraph 5 sentence 2 have to inform the responsible authority in writing before distributing the substances, preparations or products as stated in paragraph 1. This notification has to state at least one person who can fulfil the requirements stated in paragraph 2. Should a change of the authorized person take place, the responsible authority must be immediately informed in written form.

According to Article 3 (2) in connection with paragraph 4 of the Chemical Prohibition Regulation:

We are only permitted to sell hazardous substances and preparations after your confirmation that you:

- are a professional user,
- will only use the substances, preparations and products in admissible way,
- will not resell this product,
- you are informed about the proper handling and the disposal of possible remains of the hazardous product according to the enclosed Safety Data Sheet.

Please enclose a copy of your business registration. Should you be a free-lance restorer or artist, please enclose a copy of verification (e.g. membership of a Conservator Association or membership of an Artist Association).

Furthermore, in case the product is required for a restoration assignment, please state the project and the client's name. Artists are requested to enclose a description of the purpose of use. With your signature you confirm that you have informed the responsible authority of the purpose of use of the required product according to Article 2 (5).

Yours sincerely,

Dr. Georg Kremer
