

70109 Cembran Pine Oil, Stone Pine Oil, pure, undiluted

The Cembran Pine Oil is won from the fresh needles and branches of the Stone Pine (Pinus Cembra) by steam distillation. The oil is colorless to yellowish, with a characteristic strong aromatic scent. Cembran pine oil is often used as a odour improver for colors, wood preservative agents and fungicides, against moths. The Cembran Pine Oil is insoluble in water.

Application: 1 volume Cembran Pine Oil in 6 volumes alcohol.
